

THE STATVESTS ADVANCED VEST KEEPS PERSONNEL SAFE.

This advanced utility vest is designed for medics who require front and side pockets. One adjustable size fits everyone on staff comfortably. Our EMS vest is also an ergonomic alternative for medics who cannot (or choose not to) wear a backpack.

- One-size-fits-all (over clothes) with Velcro® adjustments on the front, shoulders, and sides. Makes ordering EMS safety vests a breeze for larger departments with many different personnel
- 5 Point tear away design allows user to free themselves from possible obstacles or entanglement
- Removable name plates on front and back for identification of personnel or departments
- Added more durable reflective material that has a protective outer mesh cover which shields it from wear and tear. Helps with visibility in nighttime situations while using this high-visibility safety vest
- LED light Attachment point (lights sold separately)
- Custom screen printing is available
- Each vest includes one set of blue EMS nameplates (two small fronts plates and one large back plate) of your choice. Additional or custom nameplates can also be ordered for an additional charge.
